CSK100

Pendant ceiling suspension kit for NELO series

Product information:

The CSK100 is an optional suspension kit, allowing the NELO series loudspeakers being used as a pendant loudspeaker solution. The triangular steel wire construction can be screwed into the threaded bushings on the rear side of the NELO series speakers, while a 3.5 meters long steel wire allows it to be fixed to any possible ceiling or surface. This offers a fast and easy solution for converting the NELO series into an entry-level pendant solution.

* NELO series loudspeakers not includes with the CSK100.
